PART 4 -THE RACE

4.1 Racing Area. It is anticipated that there will be only one racing area for the regatta. The designated race area will be in Offatts Bayou south of Sea Star Base Galveston campus.

4.2 The Course.

4.2.1 The course will be reviewed prior to the race and may change in the afternoon or with wind change. The courses that could be sailed are triangle, modified triangle, triangle-windward, triangle-windward-leeward (Gold Cup), windward-leeward, and modified windward-leeward.

4.2.2 Daily Courses. The courses to be sailed for each race will be indicated by verbal command from the Race Committee no later than the warning signal of that race.

4.2.3 Race Committee Sets Courses. The Race Committee shall make every attempt to set courses which take the majority of the fleet 15 to 20 minutes to complete. Any Crew which does not complete the course within ten (10) minutes of the first vessel to cross the finish line shall be scored "Did Not Finish" ("DNF") for that race.

4.3 Marks. Marks will be orange tetrahedrons, balls, cylinders or others as designated by the Race Committee.

4.4 The Start.

4.4.1 Starting Sequence. The starting sequence will be according to the Sound-Signal System as defined in the RRS or as modified by notification on the morning of the race.

4.4.2 Starting Line. The starting line will be between a designated mark and an orange line flag on the Race Committee vessel.

4.5 Change of Position of the Next Mark.

4.5.1 Race Committee May Change Mark Position. After the starting signal, the Race Committee may change the position of any mark, provided that no vessel is on that leg of the course, although the new mark may not be in position. To change the position of the mark, the Race Committee shall move the original mark to a new position. Any subsequent marks in the course after the moved mark may be relocated to preserve the course configuration without further signal; this alters RRS 33.

4.5.2 Notice of Changed Mark. If there is a change of mark position, a Race Committee vessel will display code flag "CHARLIE" and make repetitive sound signals before the leading boat has begun the leg. No compass bearing to the new mark shall be displayed; this alters RRS 33.

4.6 Recalls.

4.6.1 Individual Recall. Individual recalls will be made by hailing the sail numbers of the vessel(s) concerned. Code flag "X-RAY" will be displayed for a maximum of two (2)

minutes and one sound will be made. It is the responsibility of the competitors to start properly after any recall. . If the vessel(s) concerned does not hear the hail, it is no fault of the Race Committee; this alters RRS 29.1.
4.6.2 General Recall. A general recall will be signaled orally and by two sounds. Code flag "FIRST SUBSTITUTE" will be displayed. After a general recall, RRS 30.1 shall apply without display of code flag "INDIA" (1-minute rule).

4.7 The Finish. The finish line will be between a designated mark and a flag on the Race Committee vessel. If the course is shortened at a mark, finish between the near mark and a Race Committee vessel displaying code flag "SIERRA".

4.8 Signals Made Ashore.

4.8.1 Signals Displayed. Signals made ashore will be displayed from the Sailing Center.

4.8.2 Code Flag "AP" Displayed. When code flag "AP" is displayed ashore, the warning signal of the next race of the day shall be no sooner than 10 minutes after the lowering of the "AP"; this alters RRS race signals.

4.9 Substitutions.

4.9.1 Substitutions Permitted. Substitutions may be allowed due to medical or family emergencies or disqualification of one crew member.

4.9.2 Substitutions Request. Substitutions must be submitted in writing and approved by the Race Officer and will be announced at that day's Skipper's meeting. If, in the interest of fairness, a substitution is necessary on the water, the application may be orally made to the Race Officer.

4.9.3 Substitutions Eligibility. Substitutions of Crews should first come from members of the same ship or unit, if present, and then from anyone in the opposite fleet that is not a Skipper. However, a substitution may come, as a last resort, from any source as long as that person is a Sea Scout that is qualified to participate in the regatta. When a substitute is allowed, the substitute Crew shall sail all remaining races of the regatta. All substitutions must be approved by the Race Officer and the Regatta Chairman.

PART 5 -PROTESTS, PENALTIES, SCORING, FLEETS AND PRIZES

5.1 Protests

5.1.1 RRS 61.1(a) Modified. RRS 61.1(a) is modified with the additional requirement that a Crew intending to protest another Crew shall notify the Race Committee Finish Line Vessel immediately after their finish and indicate their intent to protest and the identity of the Crew to be protested.

5.1.2 Protests Written. Protests shall be written on forms available from the Protest Secretary at the Sailing Center. Protests shall be filed within forty-five (20) minutes of the official arrival of the Race Committee vessel at the dock. A notice will be posted stating the official arrival time of the Race Committee vessel.

5.1.3 Protests Heard by Race Jury / Judges. Protests shall be heard at the convenience of the Race Jury/Judges .

5.2 Penalty System. A Crew that has broken a rule of Part 2 while racing shall take the following penalty: After getting well clear of the other boats as soon after the incident as possible, a boat takes a Two Turn Penalty by promptly making two turns in the same direction including two tacks and two gybes in compliance with rule 44.2 of the RRS.

5.3 Scoring

5.3.1 Low Point Scoring System. The low point scoring system of RRS Appendix A will apply, except that each Crew's series score will be the sum of all of their race scores with one discard allowed. Each Crew will be scored independently and that Crew's regatta score shall be the total of their race scores. The lowest series score wins.

5.3.2 RRS A4.2 Modified. RRS A4.2 is modified such that a Crew that does not start, did not finish, retires after finishing, or is disqualified, will be scored one (1) point more than the number of competitors entered in their respective fleet.

5.3.3 Complete Races Required. Six (6) complete races are required to constitute a regatta unless determined otherwise by the Chairman.

5.3.4

5.3.5 Practice Scores Not Carried Forward. Scores from the practice racing results shall not carry forward to the Regatta fleet results except as noted in Part 5.4.1 - Fleet Divisions, Preliminary Fleets.

and as posted on the Official Notice Board and Special Notice Board. Racing will proceed as prescribed in the Sailing Instructions Part 4.

5.4.4 Rotation. Crews will be assigned a sail number by alphabetical order and will sail two (2) races in each vessel, then rotate vessels to the next designated sail number. This may be altered verbally at the Skipper's meetings.

5.5 Arbitration. For protests involving an alleged breach of the Rules of Part 2 of the RRS, no arbitration hearing will be held prior to the protest hearing.

5.6 Prizes

5.6.1 As determined by the Regatta Chairman

PART 6 -OTHER INFORMATION

6.1 Safety

6.1.1 Appropriate Clothing and Footwear. All Participants are required to wear appropriate clothing and footwear while racing or sailing at the Event. Clothing must be clean and in good repair. No torn or damaged clothing or footwear will be permitted. Participants are prohibited from wearing any branded clothing items such as items with commercial or political advertising or logos, inappropriate language, etc. Footwear must be appropriate for sailing, be closed-toed and be of a type that does not easily fall off of the Participant's feet such as sandals or thongs; footwear must be laced, or use of Velcro or other type of secure fastener.

6.1.2 Life Vests. All Participants shall provide their own personal equipment including life vests, or use Seabase Life vests which must be worn while racing or sailing at the Event. Life vests must be of Type I, II, or III US Coast Guard approved flotation device, or better. Inflatable life vests may not be worn by race crews. International crews must ensure that their life vests are USCG approved. Participants will also be required to wear helmets.

Any Participant not wearing an approved PFD while on or near the water will first be given a warning. Subsequent failures to wear a PFD will result in being (a) disqualified from that race, and or (b) disqualified from that days racing schedule. Should a contestant not have a life vest, one can be borrowed from the SSBG inventory.

6.1.4 The Race Committee will make a determination regarding the continuation or abandonment of any race based on the prevailing weather conditions.

6.1.5 The Event shall be sailed in all conditions except if vessels, under proper command, cannot maintain steerage or if the wind, as determined by the Race Committee, is greater than twenty (25) knots, or if the Race Committee or the Water Safety Officer determines conditions are unsafe or any reason. This rule may be altered verbally at any Skipper's meeting.

6.2 Vessels. The organizing authority shall supply, or cause to be supplied, Flying Junior (FJ) sailboats for the races. Standing rigging shall not be adjusted, except in the event of a safety issue. Notice should be given to the Vessels Manager prior to leaving the dock or to the Race Committee prior to the warning sound after any adjustments to the standing rigging. Crews are responsible for knots, ring-dings, and pins, and shall inspect their vessels and address discrepancies prior to leaving the dock or before the warning signal.

6.3 Breakdowns

6.3.1 Vessel Hails Race Committee. A vessel suffering a breakdown shall hail the Race Committee as soon as practicable and, if possible, continue racing; this alters the rule under RRS Appendix D 5.1.

6.3.2 Finishing Position Diminished. If the Race Committee determines that the Crew's finishing position was significantly diminished due to the breakdown; and that the breakdown was not the fault of the Crew; and that in the same circumstances a reasonably competent Crew would not have been able to avoid the breakdown; it shall make as equitable a decision as possible, which may order the race to be re-sailed or, when the Crew's finishing position was predictable, award them points for that position. In case of doubt about their position when the vessel broke down, the doubt shall be resolved against the Crew.

6.3.3 Defective Vessel Equipment. A breakdown caused by defective vessel equipment or a breach of a rule by an opposing Crew shall not normally be determined to be the fault of the Crew. However a breakdown caused by careless handling, capsizing or a breach by a vessel of the same Crew shall be considered the Crews fault. Any doubt about the fault of the Crew shall be resolved in the Crew's favor.

6.4 Redress in the Case of Boat or Equipment Failure

6.4.1 Vessel Equipment Failure – No Fault of Crew. In the event of a vessel equipment failure, which is not the fault of the Crew, the Crew may file for redress on forms available at the Sailing Center. This adds rule 62.1(e) which is described as SI 6.3

6.4.2 Filing Redress. The filing for redress shall follow the Part 5.1.2 of these Sailing Instructions.
