

After receiving and considering input from many participants the Board of Directors of the William I. Koch International Sea Scout Cup Association, Inc. has chosen to postpone the 2020 Koch Cup until the summer of 2021. We feel this is the safest and most responsible action to take due to the COVID-19 pandemic.

We will post an updated Notice of Race to the Koch Cup website later this week. The new dates for the 10th Koch Cup will be 11- 17 July, 2021. All current invitations stand and fees paid will be applied to the 2021 event. If you know that will not be able to participate in 2021 please notify me at chairman@seascoutcup.org to request a refund. Please remember that the invitation applies to the Team; if you are pulling out that you make sure your teammate is aware of your decision.

Additionally, we will host the 11th Koch Cup in the summer of 2022 to keep the rotation in the even years to avoid conflicts with the National and World Scout Jamborees. That means qualifiers will have to be held in the summer of 2021. The Notice of Qualifiers will be posted on the Koch Cup website in early 2021 to allow for regions to plan local qualifiers.

Please feel free to contact me if you have any questions or concerns..
